**FOR IMMEDIATE RELEASE:**

**Legacy Partners Attend Polaris International North America Regional Meeting**

Chicago, IL, November 15, 2010 – Legacy Managing Partner Bob Tiberi, along with Partners Bruce Pavlik, Greg Wallenbecker, and Tim Lakis, and Marketing Director Julie Tucek attended Polaris International’s 2010 North America Regional Meeting held at the Omni Chicago Hotel on November 4-6. As the “local” firm, Legacy Professionals was the “host” for the conference.

Polaris International is an international association of nearly 200 accounting firms with representation in over 90 countries throughout the world. Member firms are leaders in their respective locations, having combined annual revenue of approximately \$500 million USD.

The two-day conference covered such topics as strategic planning for profitability, international accounting and audits standards, marketing and business development, and much more. Keynote speakers were Allan Koltin, CPA, President and CEO of PDI Global, Inc. and Julie Tucek of Legacy. Koltin spoke about practice management and firm profitability, while Tucek discussed the importance of an integrated marketing program at member firms.

In addition to delegates from the United States, attendees at this meeting also included member delegates from all around the globe, including Canada, China, United Kingdom, Israel, and Dominica. This allowed for education, interaction, and an exchange of ideas.

"These meetings are very beneficial for our Member Firms. Interaction with other Polaris members not only enables us to provide our clients with comprehensive international services, but also enables us to draw on the varying expertise available from firms in the Association, as well as to refer business to one another," says Tiberi.

Legacy Professionals LLP is a Chicago-based certified public accounting firm with offices in Minneapolis and Munster, IN. Legacy’s 20 partners and over 135 professionals provide audit, accounting, and tax services to employee benefit plans, labor organizations, not-for-profit organizations, governmental entities, medium-sized corporations, partnerships, and sole proprietorships.
